
Principal Functioning Agents

Polyoxyethylene sorbitan fatty acid ester, soybean oil ethoxylate, copolymer of alpha- and beta-pinene.....100.0%
Total.....100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

Manufactured For

McGregor Company
P.O. Box 740
Colfax, WA 99111

**CONFORM DP IS
NOT FOR AQUATIC USE**

WA Reg. No. 39303-14001

McGREGOR CONFORM DP™

Deposition and Drift Reduction Agent, Spreader, Penetrant

KEEP OUT OF REACH OF CHILDREN WARNING

Causes serious eye irritation.
Causes skin irritation.
May cause respiratory irritation.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves/eye/face protection. Use only outdoors or in a well-ventilated area. If eye or skin irritation occurs/persists, get medical advice/attention.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Storage: Keep this container tightly closed. Store above 25° F. Store in a closed container. Store in original container. Store in a well-ventilated space. Keep cool. Do not allow water or other chemicals to be introduced into contents of container. Do not contaminate water sources with equipment washwater, spray disposal wastes or by cleaning of equipment. Do not store near feed or food products. Do not use or store near open flame.

Disposal: Triple rinse container and pour rinsate into spray tank. Do not reuse container. Offer triple-rinsed container for recycling, or puncture and dispose of in a sanitary landfill or by other procedures approved by appropriate authorities. Dispose of contents/container in accordance with local/national regulations.

Spill: In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

General Information

Conform DP is a tank mix adjuvant formulated to provide optimal pesticide spray performance by enhancing deposition of the spray application.

Conform DP contains Quantum™ Technology, an innovative adjuvant technology that has an affinity for pesticide active ingredients.

Conform DP suppresses off-target drift of spray applications by providing a more uniform pattern and velocity of the spray droplets.

Conform DP can be used with air assist and conventional spray nozzles.

Conform DP can be used with herbicides, including desiccants, insecticides, fungicides and plant-growth regulators, in keeping with pesticide label recommendations.

Conform DP maximizes pesticide performance by improving spray coverage and through enhanced retention and infiltration of the targeted leaf surface.

Many factors affect off target drift such as spray boom height, nozzle configuration, spray pressure, temperature, wind and thermal inversion.

Conform DP will not eliminate all drift.

First Aid

If Swallowed: Call a doctor or get medical attention. Do not induce vomiting. Do not give anything by mouth to an unconscious person. Avoid alcohol.

If on Skin: Wash affected area with plenty of soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse.

If Inhaled: Remove victim to fresh air and keep at rest in a position comfortable for breathing. Call a poison center or doctor/physician if you feel unwell.

If in Eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. If eye irritation persists, get medical advice/attention.

Use Precautions

The addition of an adjuvant to some pesticides may increase the risk of phytotoxicity to certain susceptible crops, especially during periods of high humidity or other circumstances which may increase the activity of spray solutions. Care should be exercised when using on new varieties or crops not previously treated with Conform DP.

Mixing

Add Conform DP after pesticides or other adjuvants are introduced to spray mixture but prior to completing the filling of the spray tank. Before making large scale applications, conduct a jar test containing all ingredients to confirm compatibility.

Directions For Use

Always read and follow label instructions of accompanying pesticide product.

	Rate of Conform DP per Acre (A)	Gallons of Spray Solution per Acre (GPA)
For Drift Suppression:	4 to 6 fl. oz./A	5 to 15 GPA
	7 to 10 fl. oz./A	16 to 50 GPA
	10 fl. oz/A	Greater than 50 GPA
For Spray Deposition Enhancement; For Use With Insecticides and Fungicides as a Spray Deposition Agent:	2 to 4 fl. oz./A	5 to 25 GPA

NOTE: Do not exceed 4 quarts of Conform DP per 100 gallons of spray solution (1.0% v/v).

CONFORM DP IS NOT FOR AQUATIC USE

For Direct Injection

Conform DP can be applied through injection systems when added to one of the system's chemical injection tanks. An in-line mixing chamber is recommended.

- First, add Conform DP to the chemical injection tank;
- Second, pump the correct amount of Conform DP into the line;
- Third, pump the proper amount of water, pesticide, fertilizer and other adjuvants into the line, for mixing with Conform DP and chemicals, before going into the spray boom.

NOTICE: READ CAREFULLY

Limited Warranty and Disclaimer

The Manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. Neither Manufacturer or Seller makes any other express or implied warranties, including without limitation, the implied warranty of merchantability or fitness for a particular purpose, all of which are expressly disclaimed. Any damages arising from a breach of the Manufacturer's warranty shall be limited to direct damages, shall not include indirect or consequential damages such as loss of profits or values, and shall not, in any event, exceed the purchase price of this package of product. This Limited Warranty does not extend to the use of the product inconsistent with the label instructions, warnings or cautions, or use of the product under abnormal conditions such as drought, excessive rainfall or other weather conditions or factors that are beyond the control of the Manufacturer and/or the Seller. Any written or verbal statements or agreements cannot vary the terms of this Limited Warranty and Disclaimer. No employee or agent of the Manufacturer or Seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
