ADJUVANT OIL

CROP OIL M™

CROP OIL M is a Crop Oil Concentrate.

PRINCIPAL FUNCTIONING AGENTS

Paraffinic oil, tall oil,	
branched alkyl phenol ethoxylate.....	98.82%
Constituents ineffective as spray adjuvants.....	1.18%
Total.....	100.00%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

Crop Oil M is a high performance surfactant/oil blend designed for use with certain herbicides, fungicides and desiccants to enhance pesticide performance. **Crop Oil M** should be used where uniform coverage of the spray is required. **Crop Oil M** is compatible for use with fertilizer solutions. **Crop Oil M is not for aquatic use.**

HAZARD STATEMENTS

- Causes mild skin irritation.
- Causes serious eye irritation.

PREVENTION

- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or smoking tobacco.
- Wear protective eyewear (goggles or face shield), chemical-resistant gloves, long-sleeved shirt and long pants, shoes plus socks when mixing or applying **Crop Oil M**.
- Do not eat, drink or smoke when using this product.
- Avoid breathing dust, fume, gas, mist vapors or spray.
- Use only outdoors or in a well-ventilated area.

FIRST AID

- **NOTE TO PHYSICIAN:** Contains petroleum distillate. Vomiting may cause aspiration pneumonia.
- **IF SWALLOWED:** Immediately call a poison control center or doctor for treatment advice. Keep at rest. Do NOT induce vomiting.
- **IF IN EYES:** Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
- **IF ON SKIN:** Wash skin thoroughly with plenty of soap and water, or use recognized skin cleanser. Do NOT use solvents or thinners.
- **IF INHALED:** Move person to fresh air and keep at rest in a position comfortable for breathing. If person is not breathing, call 911, then give artificial respiration, preferably by mouth-to-mouth, if possible. Give nothing by mouth.

EMERGENCY TELEPHONE

- Chemtrec US-Canada 800-424-9300

STORAGE, DISPOSAL AND SPILL

- Do not contaminate water, food, or feed by storage and disposal.
- **STORAGE:** Store at ambient temperature. Store in a closed container. Keep container tightly closed and DO NOT allow water to be introduced to contents of this container. DO NOT reuse this container.
- **DISPOSAL:** Do not reuse empty container. Triple rinse or equivalent during mixing and loading and add rinse to spray tank. Recycling decontaminated containers is best option for disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your State and local ACRC recycler, visit the ACRC web site at www.acrcycle.org. Do not contaminate water sources by cleaning of equipment or disposal of wastewaters. Dispose of contents and container in accordance with local and national regulations.
- **SPILL:** In the event of a major spill, fire or other emergency, call CHEMTREC at (800) 424-9300.

DIRECTIONS FOR USE

Before using **Crop Oil M**, always read and follow all label directions, mixing instructions and precautionary statements of the pesticide label that is to be tank mixed with this product. Since **Crop Oil M** increases the activity of pesticide products, care should be exercised in applying on sensitive crops during high temperature and high humidity conditions. The use of test areas is recommended if these conditions prevail. Certain pesticide labels have recommended adjuvant use rates. In all cases, the pesticide label should be consulted regarding specific adjuvant use. **Crop Oil M is not for aquatic use.**

GROUND OR AIR APPLICATION RATE RECOMMENDATIONS

- Use 0.5 to 4 pints per acre
- Do not exceed 2.50% v/v concentration or exceed rates recommended by the pesticide label for crop oil concentrates.

The above use recommendations are considered to be adequate for most applications. Consult your local and state agricultural authorities for information regarding specific use recommendations or application procedures.

MIXING INSTRUCTIONS

Before using **Crop Oil M**, read the entire pesticide label to be tank mixed. All instructions on the pesticide label must be followed. Fill 1/2 of spray tank with water, add the desired amount of pesticide along with other ingredients and continue filling. Add correct amount of **Crop Oil M** as the last component and continue agitation.

LIMITED WARRANTY AND CONDITIONS OF SALE

The Manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. Neither Manufacturer or Seller makes any other express or implied warranties, including without limitation, the implied warranty of merchantability or fitness for a particular purpose, all of which are expressly disclaimed. Any damages arising from a breach of the Manufacturer's warranty shall be limited to direct damages, shall not include indirect or consequential damages such as loss of profits or values, and shall not, in any event, exceed the purchase price of this package of product. This Limited Warranty does not extend to the use of the product inconsistent with the label instructions, warnings or cautions, or use of the product under abnormal conditions such as drought, excessive rainfall or other weather conditions or factors that are beyond the control of the Manufacturer and/or the Seller. Any written or verbal statements or agreements cannot vary the terms of this Limited Warranty and Disclaimer. No employee or agent of the Manufacturer or Seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
