Precision Ag Specialist – Colfax, WA

We are looking to add to our Precision Ag Team with an individual who is looking for a career with high customer impact.

The McGregor Company serves growers in Washington, Idaho and Oregon with the seed, crop inputs, equipment, services, research and advice needed to raise healthy, sustainable crops. Our Precision Ag Division provides hardware set up, repair, training and service across this same market area.

Main Duties:

- Provide precision ag services across market area of eastern Washington, northwest Idaho, and northeast Oregon
- Set up field equipment, provide repair and troubleshooting services
- Provide field equipment training to staff at McGregor branches and to farm customers
- Provide training to McGregor Account Managers on precision and analytics software tools used by the company.
- Understanding the agronomic value propositions of analytics and precision will be important in this role.

Requirements/Skills

- WORK EXPERIENCE:
    - 3 -5 years' experience with precision ag hardware and software
    - Experience desirable with Ag Leader, Raven, Trimble, SST, Field Reveal
- EDUCATION:
    - 2-year related degree preferred or equivalent work experience
- Solid GPS and site-specific technology/data collection knowledge
- Excellent communication skills
- Ability to travel within the market area 30-40% of the time (company vehicle is provided)
- Sales experience helpful
- Background in agronomy/production agriculture is preferred

Position Details:

- Full benefit package (medical, dental, vision, 401k, vacation, life insurance, + more)
- Valid driver's license, ability to lift over 50 lbs
- Drug Free Workplace
