

NOTICE OF POSITION OPENING

Application available on the Careers page at www.mcgregor.com

Seed Care Blend Technician - Twin Falls, ID

We are looking to add to our Southern Idaho team with an individual who has ag or industrial facility experience and is looking for a rewarding career in the seed care industry.

McGregor Seed Care serves commercial seed conditioners with the most experienced team in the West. McGregor Seed care touches nearly every annual crop grown in the greater northwest; providing seed-applied insecticide, fungicide, and nutrient needs for healthy roots and maximum yields.

Essential Functions:

- Process and distribute seed blend orders, accurately and in a timely manner
- Manage and maintain accurate inventories at the blend facility
- Safe operation of equipment
- Prepare, organize and manage documentation related to inventory transfers, delivery tickets, product receipts, DOT, EPA and Safety.
- Maintain proactive communication with Manager of Central Distribution, sales team, customers, company departments and outside vendors.
- Comply with all policies and laws

Required Skills & Behavior Traits

Education: (Degrees, Certifications, Licenses, etc.)

- High School diploma or equivalent.
- CDL with Hazardous Materials endorsement
- Clean driving record
- State applicators license with proper endorsements

Knowledge: (Competencies, Equipment, Systems)

- Basic computer skills
- Basic mechanics
- Working with chemicals protocols
- Forklift operation
