

Warehouse Coord/Equipment Operator – Ellensburg, WA

Are you a detail-oriented, mechanically inclined individual? If so, we are looking for an attentive person to run, maintain, and coordinate the movement of product in our facility's warehouse.

This is a full-time position that includes a full benefit package and advancement opportunities!

The McGregor Company serves growers in Washington, Idaho and Oregon with the seed, crop inputs, equipment, research and advice needed to raise healthy, sustainable crops.

Essential Functions:

- Assist in the day to day handling, maintenance and distribution of products (bulk and packaged) moving into and out of the warehouse.
- Picks-up product by monitoring production; loading, blending and moving product.
- Stores product by designating storage areas; adjusting storage areas according to production and shipping requirements; updating location database.
- Prepares product for shipment by verifying location; directing movement to staging area; resolving problems.
- Verifies product inventory reports by comparing logs and reports; adjusting entries.
- Documents actions by completing forms, reports, logs, and records; maintaining databases.
- Monitors inventory by completing counts as required.
- Updates job knowledge by participating in educational opportunities; keeps paperwork and work areas organized; keeps safety and stewardship a priority.

Requirements/Skills:

- High School Diploma or GED Equivalent
- Forklift operator (or ability to become a certified operator)
- Excellent phone etiquette and customer service skills
- Dependable and organized
- Team-oriented focus
- This is a Drug Free Workplace!
