CDL (any form), forklift, front end loader and/or skid steer operating experience.

Duties:

- *Loading and unloading of fertilizer from rail cars, barges and trucks using material moving equipment*
- *Safe handling of hazmat products, such as ammonia, utilizing proper personal protective equipment*
- *Perform a variety of tasks relating to shipment of fertilizer products*
- *General maintenance of equipment*
- *Adherence to paperwork and training regulations*

Requirements:

- *Forklift operation*
- *Ability to lift 50 pounds*
- *Attention to detail*
- *Safety minded professional*
- *Able to work extended hours during peak season*

Position Details:

- *Full-time with additional hours during peak busy seasons*
- *Drug Free Workplace*
- *Full benefit package (medical, dental, vision, 401k, vacation, life insurance, + more)*

Wage:

- *\$21.00 - \$24.00 per hour, depending on experience and qualifications*
